

REFERENCE: PO1901PT

JOB POSITION: Product Owner

LOCATION: Porto, Portugal

THE OFFER

Nonius is looking for a Product Owner that will focus on Guest Facing Products, such as TV, mobile Apps, in-room technologies, among others, in order to maximize measurable value of the products to customers and users.

You will be working closely with the Product Director, Customers, Users and different areas of Nonius (Sales, R&D, Marketing, Professional Services) to define the vision, goals, metrics and priorities and break it down to a product backlog.

WHAT YOU WILL DO

- Contribute for the vision and goals of the products
- Understand the market, customer needs and competition
- Create, manage and prioritize the backlog
- Produce specs, test plans and other product documentation
- Evaluate product progress
- Define and monitor product KPI's

YOUR SKILLS

- Bachelor's degree in computer science or related field
- 2+ years working as a product owner or business analyst
- Your mind is analytical, conceptual, logical and use data for decision making
- Love UI/UX
- Technological savvy
- Excellent communication skills with ability to listen and negotiate with different stakeholders
- Fluent written and spoken english
- Technical and business understanding of the industries Nonius operates (Hospitality)

WHAT WE OFFER:

- Full time position
- Health insurance
- Competitive salary and compensation
- A foosball table
- A great environment and a great team to work with
