

**REFERENCE:** SE1811

**JOB POSITION:** Senior Full Stack Developer (Ecommerce & CRM)

**LOCATION:** Porto, Portugal

## NONIUS DESCRIPTION

Nonius is a global market leader in the hospitality industry, with software operating across multiple hardware and OS platforms including TVs, Set-top boxes, signage players, media server, TV gateways and mobile devices.

Nonius serves more than 2000 clients (mostly Hotels) in more than 60 countries.

You will join a team of more 25 software developers and testers that builds best in class products. An informal, open and dynamic environment working for clients globally.

## RESPONSIBILITIES

- Team Leadership and reporting to the Director of R&D
- Owning new products and features from idea to completion
- Working with a core team to design and execute major new features and products
- Software design and definition together with the Product(s) Owner(s)
- Writing code in Python (Django, Django REST Framework) and PHP
- Contributing to a fast moving exciting project

## REQUIREMENTS

- Write code that others can actually read
- PhD, MSc in Engineering or computer science degree
- 2+ Years experience in a similar role at another SaaS company
- PHP, Django/Python, Django Rest Framework
- Solid experience in MySQL and the SQL language
- Experience building and scaling web applications
- Savvy in Web development (HTML, CSS, Javascript, Vue.JS, JQuery, AngularJS)
- Working with external APIs (REST, JSON, SOAP/WSDL)
- Exposure to Linux environment admin and development tools
- A good mix of creativity but also understand process based software development
- Fluent in English
- Empathy towards helping people

#### WE WILL ALSO VALUE A LOT:

- PhD in relevant subject matter
- Experience with hosting services and cloud webservices
- Writing wordpress plugins
- Relevant academic degree related with E-commerce
- Experience in leading software teams

#### WE OFFER

- Full time position
- Health insurance
- Competitive salary and compensation
- A great environment and a great team to work with
